2. All accounts are due and payable within thirty (30) days of the end of the month in which the invoice is dated or as arranged and confirmed in writing by the Company providing the labour services, material and/or equipment. If the Applicant fails to pay any monies payable to the Company by the due date then all monies owing by the Applicant to the Company shall immediately become due and payable. Disputes and/or claims do not constitute grounds for non-payment of amounts other than those in dispute.
3. The Applicant agrees that the Applicant is not entitled to use the facility until it receives notice in writing (“the notice”) from the Company stating that the facility has been granted. Until the Applicant receives such notice in writing from the Company any goods or services that are supplied by the Company to the Applicant shall be on a cash basis.
  - (a) If a goods and services tax is payable, or becomes payable, on any supply of goods or services the subject of an invoice issued by the Company, then the Company may recover from the Applicant the amount of such goods and services tax in addition to and at the same time and in the same manner as the Applicant is obliged to pay for the supply.
  - (b) The recovery of any amount in respect of goods and services tax by the Company from the Applicant is subject to the Company providing to the Applicant a tax invoice in the appropriate form or doing such other things as are necessary to enable the Applicant (if entitled) to claim input tax credits in respect of the supply.
4.
  - (a) Unless the Company agrees in writing to the postponement of payment of any monies owing to the Company by the Applicant interest shall be payable by the Applicant on the highest debit balance of each calendar month on monies owing by the Applicant to the Company calculated daily from the date the monies became due until the actual date of payment at a rate of 14% per annum provided that, notwithstanding anything hereinbefore contained, the Company may, at any time after the date hereof serve on the Applicant a notice varying as from the future date specified therein the interest rate, and the interest rate shall be varied as therein provided from the date therein specified, being a date not less than 7 days after the date of service of such notice.
  - (b) Payments received by the Company will be applied as follows:  
First in reduction of interest payable and accruing from month to month; and secondly in reduction of all other monies owing to the Company until such time as all monies owing to the Company have been paid in full.
5.
  - (a) The Company has a general lien over all and any goods or chattels of the Applicant which from time to time are in the possession of the Company, its servants or the Company from time to time, on any account whatsoever, regardless of whether such

(b) The Applicant warrants to the Company that:

(1) It parts with possession of any goods or chattels to the Company in the ordinary course of its business; and

(2) There is no restriction on the Applicant's right to part with possession of the goods or chattels and/or to give the general lien referred to at 5(a) and in particular, without prejudice to the generality of the above, that there is no fixed charge or floating charge which has crystallised over any such goods or chattels preventing the Applicant parting with possession and that it will, in the event of such a restriction arising, immediately advise the Company of any such restriction.

(c) If the Applicant does not settle its account in full within the terms specified in 1 above or, in the case of any other monies owed by the Applicant to the Company, immediately upon demand for payment by the Company, then the Company is entitled, without further notice to the Applicant, to sell all and any goods or chattels of the Applicant held pursuant to 5(a) above, satisfy its account and any other moneys owing to it from the proceeds thereof, and to account to the Applicant for the balance held.
